Sec.

173.1 Scope.

173.2 Competitive Information Certification.

173.3 Profit reduction clause.

APPENDIX TO PART 173—LIST OF CONTRACTORS FOR WHOM CERTIFICATION IS REQUIRED

AUTHORITY: 10 U.S.C. 2202.

SOURCE: 53 FR 42948, Oct. 25, 1988, unless otherwise noted.

§ 173.1 Scope.

(a) The purpose of the Competitive Information Certificate is to provide the Contracting Officer sufficient information and assurance to support award of a contract in those circumstances where certification is required.

(b) Although a Competitive Information Certificate provides reasonable assurance to the Government, the possibility remains that even a diligent internal review by the contractor may fail to identify illegal or improper actions. The purpose of the Profit Reduction Clause is to ensure effective protection of the Government's interest in making contract awards when a Competitive Information Certification is required. The Profit Reduction Clause is required in all competitively awarded new contracts over \$100,000 when a Competitive Information Certificate is required prior to award.

§ 173.2 Competitive Information Certification.

(a) The Competitive Information Certificate is required prior to award of all competitively awarded new contracts of a value exceeding \$100,000 to contractors subject to the requirement.

(1) Corporate activities required to provide the Certificate are corporations or corporate divisions which have been the subject of search warrants, or as to which other official information indicates such certification should be required, and their subsidiaries and affiliates. A list of contractors from whom certification is required is maintained and published as required under authority of the Department of Defense Procurement Task Force.

(2) The requirement to provide the Certificate may be further limited to certain divisions or subsidiaries, contracts or programs upon the basis of official information, furnished by the contractor or otherwise, sufficient to establish to the satisfaction of the Department of Defense that the investigation is so limited. Such information may include copies of search warrants, subpoenas and affidavits from corporate officials concerning the scope and conduct of the investigation. The sufficiency of such information is solely within the discretion of the Department of Defense.

(3) Contractors from whom certification in certain instances is required
